Personal Review: The Last Summer (of You and Me) by Ann Brashares

I LOVED THIS BOOK. I've seen the Sisterhood movie and when I picked up the book, it was partly because she authored those. I fell in love with Alice, Riley and Paul from chapter 2. And as one reviewer had said (from the cover itself) it did have me reading way into the night. Which is a first for me really. Another first? I reread my fav chapters (which was most of the book) immediately after finishing.

I thought her language and expression of the characters was romantic, and even if the baseline story was simple she added a flavor I hadn't seen before. You go Ann. I teared up a bit, with decent reason and I'm scouting for another piece by Ann.

You will love The Last Summer of You and Me. From cover to cover.
